MOBIUS and interlibrary loan will be available on a limited basis as many libraries across the state and nation are following the same guidelines. However, the library staff can work with you to identify alternative sources from our in-house and online collections. If you are on campus we will use the lockers in the south HZ entry as temporary pick up locations for in-house materials.

**STUDY & WORK SPACE:** If you are on campus, the Hazel Wing is available 24/7 as a space to work and study. Just use the keypad on the south Hazel Wing door. To help encourage safe social distancing seating and furnishings have been rearranged to support individual work.
